Welcome on my homepage.

I am Clement Escoffier. I am a PHD Candidate in software engineering. I work at Grenoble (Grenoble University) in the Adele team. My research interests contain service-oriented computing, service component model and OSGi. At the same time, I teach software engineering at the Grenoble Institute of Technology.

On this site, you find my resume, a presentation of my different projects (current and old), my publications, my trainings ...

Feel free to send me by mail if you have any questions or comments at clement.escoffier@gmail.com. You will find further information to contact me in the "Contact Me" section.
